PROBLEM ESCALATED

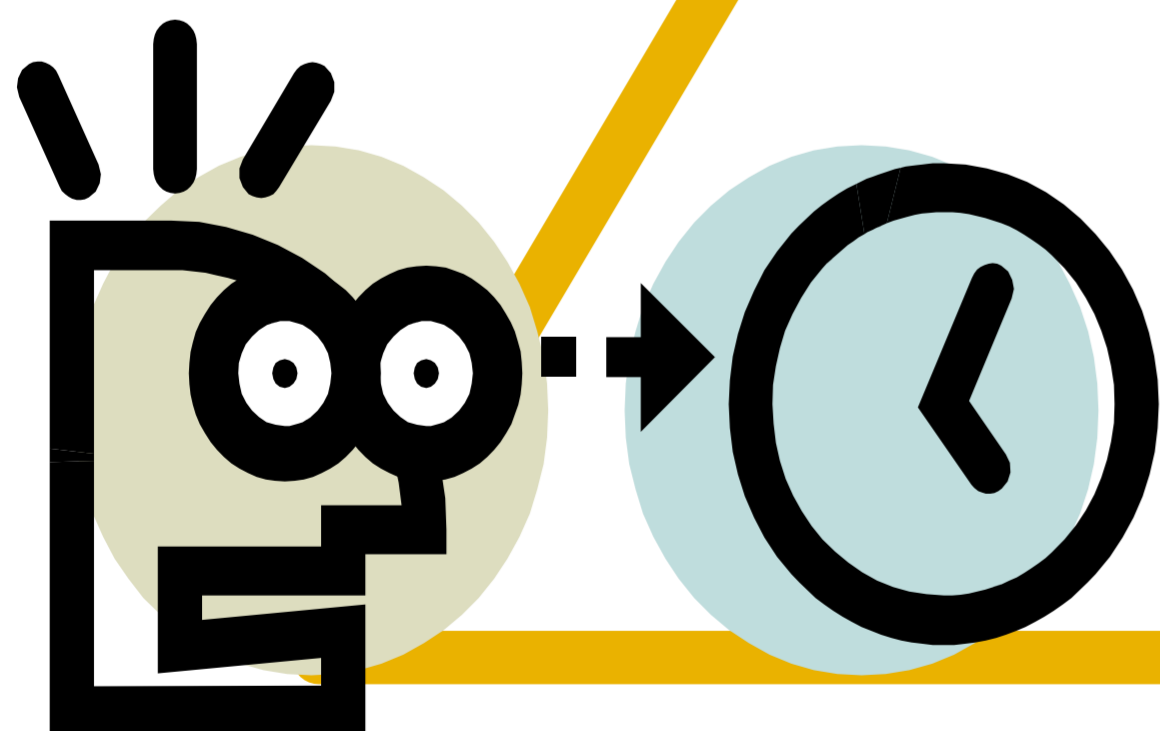

"doesn't meet with us regularly"
"not providing us with enough information"

Co-ordinator

"...there should be more hours allocated to it I think. We're spending a lot more than our allocated hours"

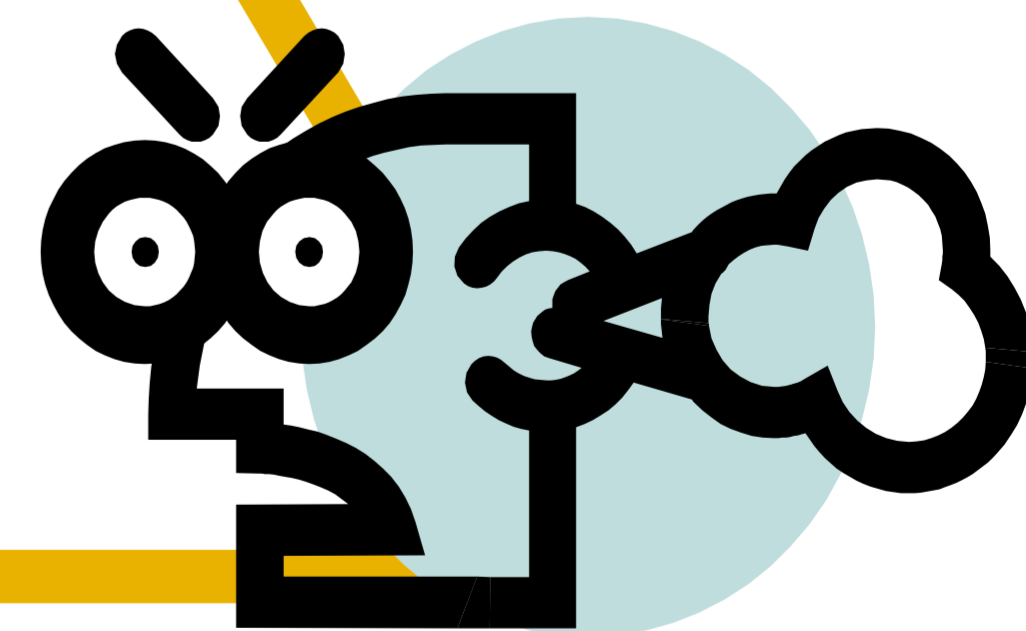

"we are not the priority in the supervisor's academic life ... so we don't want to hassle them"

Supervisor

"I'm coordinating five different R&D projects, but SURE, I can spare a minute."
